

DDP 0208 DD Comprehensive Waiver Service Definitions

Effective 7/1/13

27. Speech Therapy

These services will be provided through direct contact between therapist and individual as well as between the therapist and other people providing services to the individual.

Speech therapy services may include:

1. Screening and evaluation of individuals with respect to speech and hearing functions;
2. Comprehensive speech and language evaluations when indicated by screening results;
3. Participation in the continuing interdisciplinary evaluation of individuals for purposes of beginning, monitoring and following up on individualized habilitation programs; and
4. Treatment services as an extension of the evaluation process, which include: Consultation with appropriate people involved with the individual for speech improvement and speech education activities to design specialized programs for developing each individual's communication skills in comprehension, including speech, reading, auditory training, and skills in expression.

Therapists will also provide training to staff and caregivers who work directly with individuals.

Speech therapy services under the State Plan are limited. Maintenance therapy is not reimbursable, nor is participation in the interdisciplinary planning process.

Specify applicable (if any) limits on the amount, frequency, or duration of this service: This service will not overlap with, supplant, or duplicate other services provided through the waiver or Medicaid State plan services.

The waiver will not cover activities which are otherwise available under section 110 of the Rehabilitation Act of 1973, the IDEA (20 U.S.C. 1401 et seq.), or EPSDT.
